Attention Allen Bartlett;

A brief note of sincere appreciation for the professional manner in which you and your crew replaced my 2000 square foot Spanish tile roof with state of the art hurricane resistant shingles.

The crew's attention to detail in both installation and clean up was more than I expected and the cost to me was very reasonable.

A number of neighbors and friends have indicated that they will be calling for a review of their roofing needs.

Thanks again to you and your crew for a job well done

Sincerely

John C. F
